Art at the Library

September - Thiells residents and mother and daughter **Carolyn Pappalardo** and **Monica Wilson** exhibit their paintings. While Carolyn paints with oils and Monica uses different media, both use nature and the Hudson Valley as their "models." Carolyn and Monica have exhibited at GAGA, the County Courthouse, Helen Hayes Hospital, Keep Rockland Beautiful, ACOR, and North Rockland High School.

October - Montebello resident **Peggy Bruner** exhibits her photography collection entitled "Autumn in Massachusetts". Her photos highlight wildlife and landscapes that capture natural beauty that is, in her words, "becoming less abundant by the minute." Peggy teaches photography for the Town of Ramapo and has exhibited at the Washingtonville Art Society and Helen Hayes Hospital. She has been published in the Rockland Audubon Society Guidebook and in the Paramus Wild Birds Unlimited Newsletter.

During your next visit to the Library please come downstairs and enjoy the beautiful art!
